Outstanding October

Our second month of school together has been another awesome one. Our days have included being able to take part in the moose hide tanning with the DGO, learning about firesafety, wood needed for a fire and different ways of building fires. Our Grade 1 to 9 students worked hard to complete the District Wide Write with many great stories being written. We had a wonderful Halloween celebration thanks to TCC Recreation. They decorated the gym and planned some great activities for all the students. As we head into November, we have more amazing learning happening, our girls club will be starting up, volleyball and basketball in the gym, Remembrance day and report cards.

Mr. Rommel's JK to 2 Learners

The Grade 1 and 2s have been writing simple sentences while practicing their sight words and doing lots of read aloud too in ELA! Everyday, students sign in with sight words by reading them and using them in their writing.

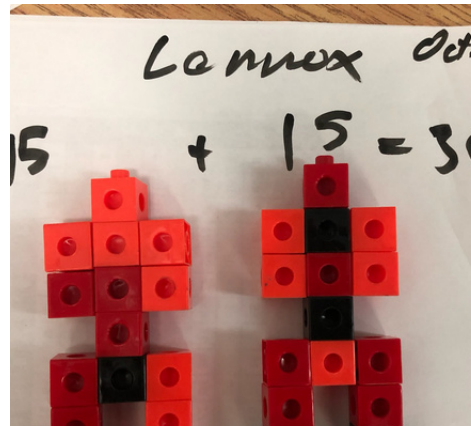

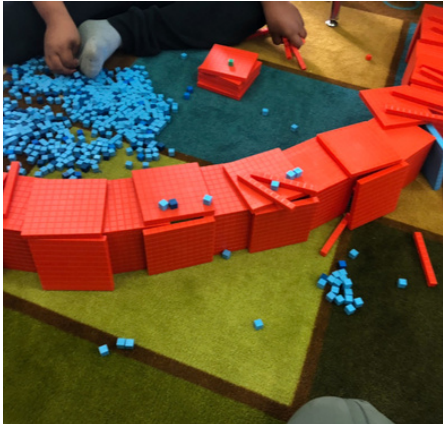

JK have been taking an interest in reading too! Their favorites include ones written by Robert Munsch and fun Halloween stories. They have also been learning letters and sounds. They have also been practicing kindness, sharing and helping others.

We can't wait to share all the learning happening!

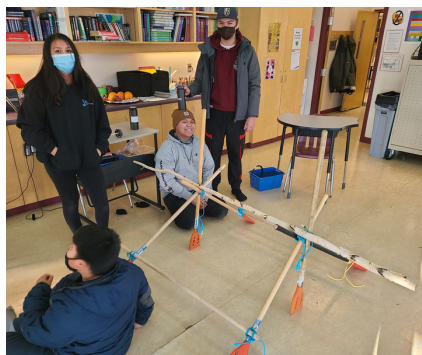

Mr. Mohsin's Marvellous Grade 3 to 5's

We had a busy, math-filled October, along with lots of read-aloud's in ELA, learning about adaptation in science, exploring the fur trade in social studies, and experimenting with different art techniques. Here is a massive "blocks" exploration by George Niditchie and some "toy soldier" Math by Lennox Blake.

Mr. Grant's Grade 5 to 9

The Gr. 5 to 9 had a busy month during October. We spent time exploring the area around the school camp, gathering firewood, starting the camp fire, cleaning the camp area, and learning how to set up a Macpherson Tent. In order to set up the tent, students spent time learning how to tie a variety of knots. We visited the Wellness camp to participate hands on in preparing moose hides. The class also spent Phys.Ed. class focusing on Volleyball skills. All of these activities were in addition to our regular curriculum studies.

Upcoming Events

Our Dene Law Focus for the month of November is : **Help Each Other**
We will be talking about kindness and how we can help one another and those in our community.

Our students will also be learning some traditional dancing. We are hoping to be ready to show what we have learned for the Christmas Concert!

Remembrance Day Ceremony

Students Only
Shared via Facebook Live
for the community
Wednesday, November 9

Report Cards will be coming home on Friday, November 19.
Parent Teacher Interviews will be the week of November 22
